

TITLE INDEX
J. Agric. Res., Vol. 47, No. 1 to 4 (2009)

A

Abelmoschus esculentus L. against American bollworm (*Helicoverpa armigera* Hub.).

Resistance in different okra cultivars..... 433

Acacia ampliceps (Maslin).

Effect of salinity and water levels on root/shoot development of..... 185

ACC- deaminase for growth promotion of wheat (*Triticum aestivum* L.) under salinity stress.

Screening and evaluation of rhizobacteria containing..... 237

agricultural extension system in Punjab, Pakistan.

Analysis of competencies possessed by field staff of private..... 103

agricultural prices - a causality analysis for Pakistan economy (quarterly data analysis).

Money supply and..... 193

agriculture and rural development.

Measuring gender gap in..... 451

agriculture in Pakistan: 1971-2006.

An analysis of productivity growth of..... 439

agroforestry in district Bahawalpur.

Role of extension services in promoting..... 211

agro-waste.

Synthesis of wollastonite from.....319

Allium cepa L.

Planting densities effect on yield and yield components of onion..... 397

American bollworm (*Helicoverpa armigera* Hub.).

Resistance in different okra cultivars (*Abelmoschus esculentus* L.) against..... 433

aphids and coccinellids in wheat.

Sowing date effect on incidence of.....171

artificial fertilizers on mitotic index and chromosome behaviour in *Vicia hybrida* L.

Effect of..... 1

Attock of Punjab, Pakistan.

Gender dimensions of labour participation in vegetable farming system in district..... 91

available soil moisture under rainfed conditions Optimum seed rate

of wheat in..... 143

Azospirillum co-aggregates using certain cationic ions and its bioinoculation effect on rice growth and yield.

Development and use of..... 107

B

bacterial leaf blight in rice.

Effect of nitrogen doses on incidence of..... 253

Bahawalpur.

Role of extension services in promoting agroforestry in district..... 211

banana (*Musa sapientum* L.).

Variety and planting time effect on growth and yield of..... 153

banana (*Musa sapientum*) yield.

High density planting effect on..... 359

470 Title index

bell pepper (*Capsicum annuum* L.).
Effect of naphthalene acetic acid and mepiquat chloride on physiological components of yield in..... 53

bioinoculation effect on rice growth and yield.
Development and use of *Azospirillum* co-aggregates using certain cationic ions and its..... 107

biology of cotton mealy bug, *Phenacoccus solenopsis* Tinsley.
Seasonal history and..... 423

blight in rice.
Effect of nitrogen doses on incidence of bacterial leaf..... 253

boron in plant growth: a review.
Role of..... 329

Brassica napus L.
Seed yield and monetary return of wheat crop as affected by intercropping with canola.....165

bread wheat (*Triticum aestivum* L.) lines under normal and late plantings.
Evaluation of promising..... 127

bread wheat *Triticum aestivum* L.
Line x tester analysis in..... 21

C

canker (*Xanthomonas compestris*. pv. citri) in nursery plants.
Effect of various chemicals on citrus..... 465

canola (*Brassica napus* L.).
Seed yield and monetary return of wheat crop as affected by intercropping with.....165

canola drying.
Performance of mobile flat-bed dryer for..... 309
Capsicum annuum L.

Effect of naphthalene acetic acid and mepiquat chloride on physiological components of yield in bell pepper..... 53

cationic ions and its bioinoculation effect on rice growth and yield.
Development and use of *Azospirillum* co-aggregates using certain..... 107

character association among morphological traits of mungbean, *Vigna radiata* L. Wilczek genotypes.
Genetic variability and..... 121

chemicals on citrus canker (*Xanthomonas compestris*. pv. citri) in nursery plants.
Effect of various..... 465

chromosome behaviour in *Vicia hybrida* L.
Effect of artificial fertilizers on mitotic index and..... 1

citrus canker (*Xanthomonas compestris*. pv. citri) in nursery plants.
Effect of various chemicals on 465

citrus cultivation in Punjab, Pakistan.
Financial viability for investing in..... 79

coccinellids in wheat.
Sowing date effect on incidence of aphids and..... 171

community development for rehabilitation of salt affected and waterlogged lands in tehsil Sahiwal, district Sargodha.
Impact of social mobilization efforts on..... 73

cotton.
Estimation of genetic divergence and linkage for fibre quality traits in upland..... 229
cotton boll and its influence on cotton fibre microstructure.
Artificial hypoplasia of..... 339

cotton fibre microstructure.
Artificial hypoplasia of cotton boll and its influence on..... 339
cotton genotypes.

Heterosis and inbreeding depression for quality traits in diverse..... 349

cotton mealy bug, *Phenacoccus solenopsis* Tinsley.
Seasonal history and biology of..... 423

cotton mealy bug, *Phenacoccus solani* Ferris.
Efficacy of different insecticides against..... 47

cropping system.
Performance of new wheat genotypes under mixed..... 137

D

D.I.Khan.
Performance of sorghum varieties and hybrids for grain yield under irrigated conditions of..... 389

dates in Sindh, Pakistan.
Marketing channels and margins of..... 293

Datura alba against *Rumex dentatus*.
Herbicidal activity of *Withania somnifera* and..... 37

disease resistant wheat variety.
Faisalabad-08: a new high yielding and..... 365

diverse cotton genotypes.
Heterosis and inbreeding depression for quality traits in..... 349

dryer for canola drying.
Performance of mobile flat-bed..... 309

E

economics of wheat inter-cropping with major and minor crops under rainfed conditions..... 375

economy (quarterly data analysis).

Money supply and agricultural prices - a causality analysis for Pakistan..... 193
efficacy of different insecticides against cotton mealybug, *Phenacoccus solani* Ferris..... 47

evaluation of promising bread wheat (*Triticum aestivum* L.) lines under normal and late plantings..... 127

extension services in promoting agroforestry in district Bahawalpur.
Role of..... 211

F

Faisalabad-08: a new high yielding and disease resistant wheat variety..... 365

farming system in district Attock of Punjab, Pakistan.
Gender dimensions of labour participation in vegetable..... 91

fertilizers effect on yield and fruit quality of guava (*Psidium guajava* L.).
Manure and..... 247

fertilizers on mitotic index and chromosome behaviour in *Vicia hybrida* L.
Effect of artificial..... 1

fibre quality traits in upland cotton.
Estimation of genetic divergence and linkage for..... 229

field staff of private agricultural extension system in Punjab, Pakistan.
Analysis of competencies possessed by..... 103

financial viability for investing in citrus cultivation in Punjab, Pakistan..... 79

foliar application of mepiquat chloride under varying nitrogen levels on seed cotton yield and yield components.
Effect of..... 381

foliar application of NAA on fruit drop, yield and physico-chemical characteristics of

472 Title index

guava (*Psidium guajava* L.) Red Flesh cultivar.
Effect of..... 259
forest tree species at seedling stage.
Effect of salinity on germination and growth of some..... 271

fruit drop, yield and physico-chemical characteristics of guava (*Psidium guajava* L.) Red Flesh cultivar.
Effect of foliar application of NAA on..... 259

fruit quality of guava (*Psidium guajava* L.).
Manure and fertilizers effect on yield and..... 247

G

gender dimensions of labour participation in vegetable farming system in district Attock of Punjab, Pakistan..... 91

gender gap in agriculture and rural development.
Measuring..... 451

genetic divergence and linkage for fibre quality traits in upland cotton.
Estimation of..... 229

genetic evaluation of jatropha (*Jatropha curcas* Linn.) genotypes..... 221

genetic variability and character association among morphological traits of mungbean, *Vigna radiata* L. Wilczek genotypes..... 121

genotypes.
Genetic evaluation of jatropha (*Jatropha curcas* Linn.) 221

genotypes.
Genetic variability and character association among morphological traits of mungbean, *Vigna radiata* L. Wilczek..... 121

genotypes.
Heterosis and inbreeding depression for quality traits in diverse cotton..... 349

genotypes under mixed cropping system.
Performance of new wheat..... 137
germination and growth of some forest tree species at seedling stage.
Effect of salinity on..... 271

germination and seedling stage.
Response of range grasses to salinity levels at..... 179

grain yield under irrigated conditions of D.I.Khan.
Performance of sorghum varieties and hybrids for..... 389

grasses to salinity levels at germination and seedling stage.
Response of range..... 179

growth and yield of banana (*Musa sapientum* L.).
Variety and planting time effect on..... 153

growth of some forest tree species at seedling stage.
Effect of salinity on germination and..... 271

growth promotion of wheat (*Triticum aestivum* L.) under salinity stress.
Screening and evaluation of rhizobacteria containing ACC- deaminase for..... 237

growth: a review.
Role of boron in plant..... 329

guava (*Psidium guajava* L.).
Manure and fertilizers effect on yield and fruit quality of..... 247

guava (*Psidium guajava* L.) Red Flesh cultivar.
Effect of foliar application of NAA on fruit drop, yield and physico-chemical characteristics of..... 259

guava production in Pakistan.
Factors affecting..... 201

H

Helicoverpa armigera Hub.

Resistance in different okra cultivars (*Abelmoschus esculentus* L.) against American bollworm..... 433
herbicidal activity of *Withania somnifera* and *Datura alba* against *Rumex dentatus*..... 37

heterosis and inbreeding depression for quality traits in diverse cotton genotypes..... 349

high density planting effect on banana (*Musa sapientum*) yield..... 359

high yielding and disease resistant wheat variety.
Faisalabad-08: a new..... 365

hybrids for grain yield under irrigated conditions of D.I.Khan.
Performance of sorghum varieties and..... 389

hypoplasia of cotton boll and its influence on cotton fibre microstructure.
Artificial..... 339

I

inbreeding depression for quality traits in diverse cotton genotypes.
Heterosis and..... 349

insecticides against cotton mealybug, *Phenacoccus solani* ferris.
Efficacy of different..... 47

institutional reforms in irrigation sector of Punjab (Pakistan) and their impact on sugarcane productivity..... 63

intercropping with canola (*Brassica napus* L.).
Seed yield and monetary return of wheat crop as affected by..... 165

inter-cropping with major and minor crops under rainfed conditions.
Economics of wheat..... 375

investing in citrus cultivation in Punjab, Pakistan.

Financial viability for..... 79

ions and its bioinoculation effect on rice growth and yield.

Development and use of *Azospirillum* co-aggregates using certain cationic..... 107

irrigated conditions of D.I.Khan.

Performance of sorghum varieties and hybrids for grain yield under..... 389

irrigation reforms and their impact on rural livelihood in Punjab, Pakistan.

An analysis of..... 281

irrigation sector of Punjab (Pakistan) and their impact on sugarcane productivity.

Institutional reforms in..... 63

J

jatropha (*Jatropha curcas* Linn.) genotypes.

Genetic evaluation of..... 221

Jatropha curcas Linn. genotypes.

Genetic evaluation of jatropha..... 221

L

labour participation in vegetable farming system in district Attock of Punjab, Pakistan.

Gender dimensions of..... 91

late plantings.

Evaluation of promising bread wheat (*Triticum aestivum* L.) lines under normal and..... 127

leaf blight in rice.

Effect of nitrogen doses on incidence of bacterial..... 253

lettuce growth and yield.

Effect of nitrogen levels on..... 405

line x tester analysis in bread wheat *Triticum aestivum* L..... 21

474 Title index

linkage for fibre quality traits in upland cotton.

Estimation of genetic divergence and..... 229

livelihood in Punjab, Pakistan.

An analysis of irrigation reforms and their impact on rural..... 281

Lodhran districts.

Micronutrients status of mango orchards of Multan and..... 413

M

mango orchards of Multan and Lodhran districts.

Micronutrients status of..... 413

manure and fertilizers effect on yield and fruit quality of guava

(*Psidium guajava* L.) 247

margins of dates in Sindh, Pakistan.

Marketing channels and..... 293

marketing channels and margins of dates in Sindh, Pakistan..... 293

mealy bug, *Phenacoccus solenopsis* Tinsley.

Seasonal history and biology of cotton..... 423

Mealy bug, *Phenacoccus solani* Ferris.

Efficacy of different insecticides against cotton..... 47

mepiquat chloride on physiological components of yield in bell pepper (*Capsicum annuum* L.).

Effect of naphthalene acetic acid and..... 53

mepiquat chloride under varying nitrogen levels on seed cotton yield and yield components.

Effect of foliar application of..... 381

micronutrients status of mango orchards of Multan and Lodhran districts..... 413

microstructure.

Artificial hypoplasia of cotton boll and its influence on cotton fibre..... 339

minor crops under rainfed conditions.

Economics of wheat inter-cropping with major and..... 375

mitotic index and chromosome behaviour in *Vicia hybrida* L.

Effect of artificial fertilizers on..... 1

mixed cropping system.

Performance of new wheat genotypes under..... 137

mobile flat-bed dryer for canola drying.

Performance of..... 309

monetary return of wheat crop as affected by intercropping with canola (*Brassica napus* L.).

Seed yield and..... 165

money supply and agricultural prices - a causality analysis for Pakistan economy (quarterly data analysis) 193

morphological traits of mungbean, *Vigna radiata* L. Wilczek genotypes.

Genetic variability and character association among..... 121

Multan and Lodhran districts.

Micronutrients status of mango orchards of..... 413

mungbean, *Vigna radiata* L. Wilczek genotypes.

Genetic variability and character association among morphological traits of..... 121

Musa sapientum L.

Variety and planting time effect on growth and yield of banana..... 153

Musa sapientum yield.

High density planting effect on banana..... 359

mutations in *Sorghum bicolor* L.
Radiation induced polygenic..... 11

N

NAA on fruit drop, yield and physico-chemical characteristics of guava (*Psidium guajava* L.) Red Flesh cultivar.
Effect of foliar application of..... 259

naphthalene acetic acid and mepiquat chloride on physiological components of yield in bell pepper (*Capsicum annuum* L.).
Effect of..... 53

nitrogen application timings on wheat yield under Thal environment.
Effect of..... 31

nitrogen doses on incidence of bacterial leaf blight in rice.
Effect of..... 253

nitrogen levels on lettuce growth and yield.
Effect of..... 405

nitrogen levels on seed cotton yield and yield components.
Effect of foliar application of mepiquat chloride under varying..... 381

normal and late plantings.
Evaluation of promising bread wheat (*Triticum aestivum* L.) lines under..... 127

nursery plants.
Effect of various chemicals on citrus canker (*Xanthomonas compestris* pv. citri) in..... 465
